Cajun Tree Cutters/The Rustique Gator
232 Trenton St, West Monroe

Made possible through the generosity of these partners.

Herons on the Bayou is a community wide public art project covering Ouachita Parish and beyond. All heron sculptures are sponsored by local businesses and individuals. Each heron has been uniquely designed and lovingly painted by artists in the area. It is our hope that these beautiful sculptures may serve to not only enhance the visual landscape of our community, but will inspire creativity, joy, and pride in residents and visitors alike.

Why the Great Blue Heron?

The image of the heron was chosen because it represents the natural beauty of Northeast Louisiana. A stately and elegant presence, Great Blue Herons can be found near the lakes, rivers, and bayous that our region is known for.
